

TRUK LAGOON

We're going back. This trip has become a favorite for our divers. Truk Lagoon is the wreck divers dream trip. Dozens of war ships lay on the bottom of the lagoon, just as they went down over 60 years ago. There is something for every level of diver from novice to technical diver. Lush, colorful coral cover the wreck. Exotic species inhabit the remains of these World War II relics.

This year we will offer two options. The first is a one week trip with 5 days of diving. You will leave on a Saturday and return the following Sunday. The second option is to stay in Truk and enjoy another 3 dive days. Some wreck divers just can't get enough of this stuff.

Join us for the trip of a lifetime.
A deposit is due at the time of booking.
The balance is due 30 days before travel. Airfare is subject to additional fees and taxes.
